Best Reviewers Awards for 2021

On behalf of *Pediatrics International*, we are pleased to announce the recipients of the Best Reviewers Awards for 2021.

The Best Reviewers Awards have been established to honor our reviewers, who made outstanding contributions to support *Pediatrics International*. Last year, a total of 1,034 reviewers kindly participated in reviewing manuscripts submitted to the journal and we recognize nine of them as awardees. These individuals were simply elected based on the number of completed reviews.

We express our sincere gratitude to the awardees as well as all the other reviewers for their continuing support for *Pediatrics International*.
